

## The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither narcotics nor poisons, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."

## Low Fares

On the 1st and 3rd Tuesdays of each month, very low fare round trip tickets will be sold via the Cotton Belt Route to points in Arkansas, Louisiana, Texas and Oklahoma. Take advantage of these low fares and investigate the wonderful opportunities now open in the Southwest. The 25 day return limit gives you ample time, and you can stop over both going and returning.

### The Direct Line to Texas

The Cotton Belt is the direct line from Memphis to the Southwest, through Arkansas. It operates two daily trains, carrying through sleepers, chair cars and parlor-cars. Trains from all points make direct connection at Memphis with Cotton Belt trains for the Southwest.

Do not delay your trip to the Southwest until the big opportunities are gone—write me to-day where you want to go and I will show you how cheap you can make the trip and give you complete schedule, etc. I will also send you free our books on Texas and Arkansas, with County map in colors.

## Better Not Get Dyspepsia

If you can help it. Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.

A great many people who have been afflicted with indigestion, have been sorry for it—when nervous or chronic dyspepsia resulted, and they have not been able to cure it. Use Kodol and prevent having Dyspepsia.

Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the taking of Kodol.

When you experience sourness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called), diarrhoea, headaches, dullness or chronic tired feeling—you need Kodol. And then the quicker you take Kodol—the better. Eat what you want, let Kodol digest it.

Ordinary pepsin "dyspepsia tablets," physics, etc., are not likely to be of much benefit to you, in digestive ailments. Pepsin is only

a partial digester—and physics are not digesters at all.

Kodol is a perfect digester. If you could see Kodol digesting every particle of food, of all kinds, in the glass test-tubes in our laboratories, you would know this just as well as we do.

Nature and Kodol will always cure a sick stomach—but in order to be cured, the stomach must rest. That is what Kodol does—rests the stomach, while the stomach gets well. Just as simple as A, B, C.

### Skin Rashes

should be treated at once with Little's

Liquid Sulphur. Every skin rash or red-

ness that appears on your face, hands, arms,

legs, back or body carries with it the danger

of Eczema. Eczema starts just that way—

first just a slight redness of the skin—this

spreads gradually. Then pustules or blisters

from which gummy, sticky fluid oozes. This

dries and scales off or forms bad looking

sores and scabs—Eczema. Unless you've

had it you can't conceive of the horrible

itching, burning, maddening pain. It

makes no difference whether you're just at

the beginning or far along in your suffer-

ing, Little's Liquid Sulphur will stop it

instantly and absolutely relieve the dis-

ease. Penetrates the pores of the skin and

kills the germs. This is true of all skin
